

VAIBE

GOOD LIVING, BETTER VIBE

SHAPING INDOOR & OUTDOOR LIVING

shaping indoor & outdoor living

"Founded in 1873 as an agency for round and sawn timber, we are now **producer, importer and service provider** for the European retail. We find it our responsibility **to listen** to the market, to **convert** the demand into strong concepts and to **deliver** products with the requested **quality, style and durability**. Today, we produce and import over 6.000 containers of **outdoor** and **indoor floors** and **wall** on a yearly basis."

- Stefan Von Schreiter, CEO F.W. Barth & Co GmbH

Vinyl flooring offers the ideal solution for modern living. With its stylish designs, robust durability, and easy maintenance, it's perfect for busy homes, professional spaces, and everything in between.

security first!

The world is hectic and sometimes full of stress, but your home shouldn't be. Choose secure, worry-free living with your C-QR floor. Quality you can trust, and designed for ease and comfort. Because a secure home is a happy home. Enjoy the comfort of living with C-QR!

QUIET

The elastic surface of C-QR floors dampens footsteps and vibrations - for pleasant room acoustics.

EASY TO CARE FOR

For reliable protection: The surface is completely sealed with a high-quality acrylic coating. Stains and dirt can be easily removed by sweeping, vacuuming or damp mopping.

WARM

C-QR floors feel cozy and soft - ideal for walking barefoot.

HIGH DURABILITY

C-QR floors are particularly hard-wearing thanks to their special wear layer are particularly hard-wearing.

SUITABLE FOR UNDERFLOOR HEATING SYSTEMS

Due to their good thermal conductivity, C-QR floors are ideally suited for installation on underfloor heating systems.

C-QR
solid power core floor

the choice made easy

Thanks to our stars qualification, we make you choice easy and convenient. Choose 3 stars for your residential floor, 4 stars for medium commercial use and all residential use and event 5 stars for a floors that fits in any room. C-QR floor, the easy choice!
